

This Manual is an official publication of the Virginia Department of Medical Assistance Services (DMAS) and its contents are - to the extent appropriate - incorporated by reference into participation agreements signed by providers enrolled in the Virginia Medicaid Program. DMAS is not responsible for the content or accuracy of reproductions, in whole or in part, of this Manual from any other source.

Manuals issued by DMAS are periodically revised and updated. Providers with access to the Internet may obtain current copies of manuals at DMAS' Website: www.dmas.state.va.us.

This Manual is not exhaustive of Medicaid law and should not be relied upon as a legal authority. The provider should always rely on its own counsel to ensure compliance with the Medicaid laws.
